WORK EXPERIENCE

Mckay School of Education Provo, Utah September 2017- April 2018

Content Editor, Photographer, Videographer

- Edit and Colored footage for Mckay School.
- Constantly balanced numerous projects in pre-production, production, and post-production.
- Photographed Award Events, Conferences, Panels and Recognition Events for BYU.
- Directed and Edited a 'Cluff Award Video' presented at BYU's Cluff Award Ceremony.
- Responsible for Videography of Panels, Classes, and Conference Events for the Mckay School.

EnerBank USA Provo, Utah June 2016- February 2017

Official Loan Officer

- Understand how to read and analyze Credit Reports from all three major credit bureaus.

- Understand Bank Proprietary policy and requirements.
- Deal with customers politely and professionally while obtaining sensitive information.

Tucano's Provo , Utah August 2014 - November 2014

Server

- Have a detailed knowledge of restaurant operations, know the menu options including prices. Greet guests, welcoming them with a warm and courteous, yet professional, demeanor. Be able to multitask between guests and tables as well as assist other servers and workers in the restaurant.
- During my tenure at Tucano's, I gained invaluable experience that comes only with the food industry. I learned how to work with people seeing that all their needs are met providing them with an experience that would leave them wanting more. I was secretly shopped and received a perfect score.

BYU Heating Plant Provo , Utah September 2013 - July 2013

Student Worker

- Assist the "full-timers" in their daily and weekly jobs. These jobs required me to be in top physical shape and varied involving anything from welding a doorway to fixing a pipeline running below BYU.
- The jobs I was involved in were generally dangerous and required attention to detail and safety. In my time at the Heating Plant I learned many of the nuances of construction and industrial work.
- I was taught how to weld albeit, at a very novice skill-set, how to use a cutting torch, how to operate a fork-lift etc etc.
