## **COACHING and CHOREOGRAPHY for AMATEUERS**

Since 1979 I have been actively involved in coaching or choreographing amateurs. I have coached and co-coached students through Regional, Sectional, National, Olympic and World competitions. I have guest coached and taught skating seminars through out America and Canada.

Post 2002 Olympics, I turned my focus to building a comprehensive skating program at a double rink facility that had been built for the 2002 Winter Olympics. Most of my choreographic work was focused on amateur skaters, show numbers for soloists in professional shows and organizing local events. Since October of 2010, I have choreographed Ice Skating productions at the Autostadt. A subsidiary of the Volkswagen Company. The Autostadt is the automobile theme park for Volkswagen. Each year I co- wrote the format of 4 shows based on German fairytales. I choreographed 22 professional skaters, created 40-49 numbers per season and over saw the production as performance director.

2015-2017 I have been the resident choreographer for all ensemble numbers in the historic Sun Valley on Ice.

2001-present Pro at the Salt Lake City Sports Complex

1987-2001 Pro at the Bountiful Recreation Center  
29 years Staff Professional Sun Valley Summer Skating School

I am a member in good standing in the United States Figure Skating Association and the Professional Figure Skating Association.

I am a USFS Gold Medalist

25 years Professional Ice Show experience as a principal and cast skater
