shirellnestlerode.com

With 13+ years in her profession, Shirell has worked as a freelance artist on various film/tv sets, photoshoots, corporate videos, fashion events, and music videos.

Skills

Beauty - clean, natural, fashion, editorial, men's grooming, light hair styling
Character - injuries, aging, period, character development
Special Effects - apply/paint/remove prosthetic pieces, blood rigs

Education

Shirell studied beauty and character makeup at Makeup Designory (MUD) Los Angeles where she learned how to properly apply makeup specific to camera work.

Specialties

Shirell specializes in makeup applications designed to be seen on camera. this includes the ability to correct the distortions caused by the camera lens and lights, design and convey the look and feel of a character, and create a beautiful aesthetic for commercial work.

Reasons to Hire

- Professionally trained by a top rated makeup school.
- Not limited to one style of makeup and knows how to adjust products and application techniques depending on whether it's for film or photography.
- Excels in interpreting the makeup requirements of clients to produce both a creative and technically accurate visual representation.
- Understands the importance of proper sanitation practices to keep her clients safe and maintains a clean, quality, professional makeup kit.
- Has the ability to work with time constraints and adapt to changes in situation.
- Arrives to every job prepared, clean, organized and easily able to communicate with the entire team.
