ADDITIONAL EXPERIENCE

ADJUNCT PROFESSOR • 2023 - 2024 • Utah Valley University, Provo, UT • Digital Cinema Program

Dished out wisdom on editing, color grading, and post-production work-flows. Oh, and played the role of a "professional mentor" for senior class students hungry to dive into the editing world, offering them juicy insights and unwavering support.

VICE PRESIDENT OF FILM AND TELEVISION, HUGE STUDIOS • 2016 - 2018 • Salt Lake City, UT

Played the matchmaker in building a post-production crew that was all business with a side of creative sophistication. Steered the strategic ship and handled the acquisitions game for the film and TV division while keeping client connections alive and kicking throughout the post journey. Showed off my budgeting wizardry by spotting opportunities to stash away a few extra coins as if I were a thrifty magician pulling rabbits out of hats.

PARTNER / CO-OWNER, SAVAGE PICTURES • 2003 - 2011 • Salt Lake City, UT

Savage Pictures, Utah's inaugural high-end post haven for Hollywood-level productions, was co-founded by yours truly. Our mission? Inject a dose of LA post-production brilliance into a scene that was merely dabbling in indie features and infomercials. We shook things up, introducing DI work when it was still in its infancy, and can proudly say we shifted the Utah film landscape. At Savage, my hands were deep in the editing, finishing, color correcting, and mastering of countless hours of film and digital content for both broadcast and theatrical exhibition. I was also a key player in crafting post budgets for projects ranging from \$500K to \$10 million.

VOLUNTEERING

BOARD MEMBER, UTAH ARTS COUNCIL • 2010 - 2013 • Salt Lake City, UT

Had a fancy title as one of the Council of Arts and Museums board members for the state of Utah—appointed by the big boss himself, Governor Gary Herbert, to be the media and film guru for the entire state. Tossed in my two cents on budgets and cash allocations, helping cook up smarter ways to raise funds and get people buzzing about the arts. Also used my business smarts and film pro skills to bring a fresh, sassy spin to tackling challenges in Utah's arts scene.
