PROGRAMS

Adobe Premiere, Photoshop, Gimp, and Davinci Resolve.

Google Docs, Drive, Sheets, Slides, as well as the Microsoft Counterparts.

EXPERIENCE

I have been fortunate to go to a Digital Media Arts Charter for my high school experience. Millennium Charter high school gave me all the basics that I know, and through it I was able to travel. I worked on a school district sponsored documentary that gave a history of railroads in Monterey County, PA'd for Maxine Jones with her "Didn't I" song debut, traveled to San Diego to assist the live broadcast of the 2015 AME Conference, and won an AFS-GVI Global Prep Scholarship to go to Nepal (I documented the experience with school camera equipment and did a presentation upon my arrival home). Ever since I've started school at UVU I have been eager to continue my training started in highschool by helping out with as many films as possible. This has lead me to obtaining a Production Assistant Certification with the Utah Film Commission and obtaining high marks in my classes.

FILMS

Wireless, Huntsville (UT) – Production Assistant (Dec 12 and 13th, 2019)

On the feature film, I was responsible for

- Corraling extras
- Coordinating transport with my 2nd 2nd and the 2nd AD
- Helping the set dressers

A Fastway Christmas Story, Pleasant Grove (UT) – Production Assistant (Nov 21st, 2019)

On the corporate film, I was responsible for

- Audio/ Boom Pole
- Set up, take down

Goldfish, Provo (UT) – Production Assistant (Oct 4th and 5th, 2019)

On the student film I was responsible for

- Keeping an eye on the talent
- Cleaning messes
- Filling in for other roles as needed (Grip/Electric and Scripty)

Josephine, American Fork (UT) – Production Assistant (Nov 10th, 2019)

On the student film I was responsible for

- Lighting
- Still being edited, will be released on Dec 12th

EDUCATION

Millennium Charter High School, Salinas (CA) – Graduate

August 2013 – June 2017, Sherwood Hall

Utah Valley University, Orem (UT) – Working for Bachelors

January 2019 – Current

I am currently working for a bachelors in Digital Cinematography. Some of my classes include Film Analysis and Production skills.
