## PROFILE

I have been a sound recordist/mixer, boom operator, and sound utility for over 10 years. I've worked on narrative films, television, documentaries/docuseries, commercial/corporate videos, and online content. For a more comprehensive list of my credits, please visit my IMDb page via my portfolio website: [www.rebeccapaez.com](http://www.rebeccapaez.com).

My sound kit includes a Sound Devices 633 with MixPre, 4 Lectrosonics wireless lavalier sets, 6 Lectrosonics IFBs for director/producers (which double as camera hops), Ambient Nano timecode sync sets for up to 4 cameras, and a Sennheiser MKH 416 shotgun microphone with boom pole, stand, and outdoor blimp kit. Outside of my own kit, I have experience with Tascam and Zoom recorders, and Sennheiser, Zaxcom, and Wisycom wireless lavalier sets.
