Personal Assistant/ Second camera operator

IDC photo/ video
2008 - 2011

Bruce Dorn is a Canon explorer of light I started of modeling for him then became his assistant that grew into mentorship. We traveled testing canons newest and older gear to visually demonstrate the art that could be created.

- Behind the scenes documentation of Bruce at work
- Music Video - Hyena: Anyone's Guess - Second camera plus assistant
- Yin Yang video - Model
