## PROFILE

Having been involved in various film projects, I've accelerated and achieved accomplishments in creativity, communication, supervision, and motivation. I've acquired attention to detail all while having fun. I'm open to learning new things because I have an appreciation for curiosity.

## WORK EXPERIENCE

### VIDEO EDITOR

Mortgage Educators and Compliance | Jan 2022 - Now

Acquiring and bringing many film aspects, I've collaborated and coordinated on how to make course videos stand out in a professional manner. From arranging and assembling motion graphics in After Effects to implementing and editing them in Premiere Pro, as well as creating logos in Illustrator.

- Editing talking head courses for nationwide distribution
- Teleprompter set up
- Improved in Illustrator and After Effects
- Wrote scripts for short skits

### VIDEO EDITOR

Dava Marketing | Sep 2021 - Jan 2022

A place where all content creators, from Youtubers, Tik Tokers, Instagrammers, and any other social media influencer, turned to, to get high quality video editing.

- Editing 2-3 videos a day for content creators
- Ensures quality for clientele in marketing/content needs
- Worked with clients such as: That Was Epic, Isabella Thorpe, Maria Gloria, and many more.

### PRODUCER

Various | 2019 - Now

From personal projects to projects of friends, I've helped manage productions from pre-production to post-production

- Managed, handled, and planned with zero budgets - \$16,000
- Scheduled and managed films to stay on track and run as efficiently with tight deadlines
- Organized and guided crew
- Maintaining effective communication with all parties
