EDUCATION

BS DIGITAL CINEMA PRODUCTION

Utah Valley University

2016 - 2023

SKILLS

- AVID Pro Certified
- Proficient in Adobe Suite
- Proficient in DaVinci Resolve
- PA Certified through the Utah Film Commission
- Familiar with Social Media formats and posting
- Camera Op Experience

OBJECTIVE

I am dedicated to the highest standard of excellence, through my attention to detail and hard work. With my educational foundations, my dedication to detail is high and I will never leave a job unfinished. Historically, I have proven that I can successfully operate in a high pressure environment. I am adaptable and have the ability to creatively problem-solve and provide quality results.

EDITING EXPERIENCE

SENIOR EDITING PROJECT

UVU Smith College of Engineering & Technology | 2022 - 2023

Worked with a team to produce, execute, and edit a short form web series. Used Adobe Premiere to organize, sync, and edit footage. Regularly communicated with director, showrunner, and other editors to insure a high quality product.

FREELANCE EDITING CONTRACTS

Chortle Games | 2022 - Present

Independently took livestreams and edited highlights in order to create YouTube shorts and TikToks. Spent time finding interesting or humorous moments to provide a well-rounded piece of content.

WORK EXPERIENCE

DIRECT SUPPORT STAFF

Chrysalis | Provo, UT | 2018 - Present

Work with numerous individuals with intellectual disabilities in an adult care home. Create a structured environment to help clients to strengthen personal skills, manage any challenging behaviors, and achieve individual goals. Instruct individuals in improving daily care habits by assisting with daily chores, hygiene assistance, med. distribution etc.

- Maintain a timely schedule to insure clients are prepared for daily activities.
- Regularly establish strong and uplifting relationships with clients and co-workers.
- Performed a range of domestic duties including organizing and managing paperwork to support a smooth and streamlined household operation.
