- Assistant worker-theatre set building and Prop-mastering 2015

PERSONAL PROFILE

I'm a recent MFA graduate looking to thrive in challenging roles. My film interest resides in pre-production and post-production. As a production designer assistant, I enjoyed prop mastering, color schemes & concept planning. I have many interests in the industry but first and foremost I am a loyal and dedicated worker. I excel in hands-on teaching and respectful environments. I find enjoyment in all tasks given to me.
