PROFESSIONAL EXPERIENCE

Content Creator (2014–current)

Created social media content. Wrote treatments, shot videos and performed all editing. Often worked in a “run and gun” style of shooting. Received high view status and media recognition. Performed a huge array of editing techniques; chroma key, kinetic typography, masking, synchronization, animation and motion graphics. Worked with artists on brand development, event planning, management, publishing and marketing. Peripheral business duties; negotiated contracts, accounting and sales.

Camera Operator – City and County of Denver (2018–2019)

Operated cameras at Red Rocks Amphitheatre and Levitt Pavilion for international acts. Take directions live via headset from director, execute smooth and creative shots for iMag screen. Used various cameras, for long periods of time in inclement weather. Troubleshoot equipment, maintain communication and provide alternatives during technical failures.

Freelance Photographer / Videographer (2013–2017)

Specialized in live events; sports, dance competitions, concerts and corporate parties. High volume photography, rapid speed videography. Shot Weddings, Quinceaneras and Church events often in foreign languages. Used green screens, photoboos, and many cutting edge technologies. Onsite post production editing for prints. 100% travel.
