I am a hardworking producer specializing in commercial photography and motion. From pre-production to wrap, I can handle any project and keep on track. I am a team player that loves to get involved and work hard for the greater good. I have grip, camera, and wardrobe experience which makes me a very usable and diverse in the production field. Commercial production is my passion and I love working in this field. I am a avid nature lover and and outdoor activity enthusiast based in Portland. Below are the clients, agency, and photographers/DPs I have recently worked with and I would love to work hard for you in the future.
