Special Skills

I am an Actor/Writer/Producer in film and television with a background in theatre. I have worked in the film industry for 11+ years in various positions. I have worked as an Assistant Unit Production Manager, Unit Production Manager, Producer and more. I do believe each set is different and that everyone needs to come together as a team to persevere through the challenges of this pandemic. Some of the projects I have worked on include; *Star Trek Continues*, *Alienate* and *4shorts*. I trained to be a Covid Compliance Officer through Health Education Services in 2021.

Experience:

Harper & Nash Short- Actor/Writer/Producer

Development of covid protocol for this short

Communication about the protocols to cast and crew

Series Pilot- Covid Observer March-April 2022

Organization, planning, setup and take down of signage and equipment
