About Me:

I am from Minnesota and moved to Utah for a teaching mission with the Catholic Church. I worked in Price, UT for three years for room and board and \$100 a month. I really enjoyed the Utah outdoors so much I made this state my new home. I worked for the Forest Service and BLM on recreation and fire duties during my summers off from teaching. I was an avid skier, snowboarder and backpacker. Now, I enjoy traveling, mountain biking, reading, gardening, cooking and art. I really enjoy teaching and have developed many tricks for helping students with their learning. My family, friends and pets are my love. Teaching children on set is the new adventure in my journey through life.
