Personal Projects

Filled roles such as producer, writer, and director on several passion projects, some of which had multi-thousand dollar budgets, multiple locations, and large crews.

Hired Crew Experience

Kevin Costner's "Horizon - Chapter 2" / VTR PA

May 2023 - June 2023

Spent 10 weeks on the set of a very fast paced set with industry professionals from all over the country. Worked with the video assist operator to assist with wrapping cables and moving video village.

Dallas Jenkins' "The Chosen Season 4" / Additional Set PA

July 2023

Responsibilities mostly involved assisting with background, especially during a week with 600 BG.

Apple TV's Yo Gabba Gabba Land / Additional Office PA

May 2023

Helped members of the production office pack up and move out of Utah Film Studios after they had wrapped their most recent season.

BW Productions / Producing Intern

Spring 2022

Worked directly with an experienced video producer to deepen my understanding of production and associated responsibilities.

ESPN / Skilled Utility/Cable Runner

September 2021-Present

Assist with gameday preparation at various sports games in the area. On the field of play assisting cameraperson during games.

Discovery Channel's "Diesel Brothers" / Set PA

November 2021-July 2022

Assistant to the production manager of a fast paced film crew in Woods Cross, UT.

Education

Bachelor of Science- Digital Cinema Production: Producing Emphasis
Utah Valley University- Graduated May 2023

Hands on film school where I produced multiple projects as well as wrote and directed my own capstone film which is doing a festival circuit.
