With 7+ years of experience working in the film industry - I have directed, shot, and edited work for a diverse set of clients. Akai, Foreign Family Collective, Lucid Monday, and Lonely Ghost to name a few. Based in Provo, UT - I currently pursue a bachelors degree in Digital Cinema Production with an emphasis in marketing. My career as a filmmaker has taught me countless invaluable skills - Social Media marketing, team leading, idea development, creative direction - all tools that I believe make me an asset for the client.
