DECODED

Sr. Content Creator
Los Angeles, CA
2019-Present
www.decodedadvertising.com

Shooting, editing, directing, and flying drones for an amazing agency. Clients are as varied as the jobs. On any given day, I could be consulting best practices for a high risk production or shooting photos of ice cream in the Los Angeles summer. I feel like I've done it all at Decoded Advertising.

EDUCATION

University of Utah
-B.A. in Photojournalism
