Experience

ASSISTANT TEACHER (DAVIS CATALYST CENTER) 2022-2023

I help run the video production program at the Davis Catalyst Center. I teach high school students the basics of video production and help them work with real life industry partners to gain real world experience while also working with one of only two LED virtual production volumes in the state of Utah.

PRESIDENT (WATIF PRODUCTIONS) 2022-2023

I helped start Weber State University's first student led film organization and am currently president. We help any student regardless of major make the short films that they want to make with gear and funding from donors and the university. I am also currently working to start an Ogden Community film festival ran by WATIF to raise funds and to celebrate film in Utah.

OWNER AND OPERATOR (ZLC PRODUCTIONS) 2022-2023

I own and operate my LLC ZLC Productions and work with community theaters to provide them promotional materials and full-length show recordings.

Education

BA FILM STUDIES AND BUSINESS ADMIN MINOR 2022-2024

I have worked hard to maintain a 4.0 GPA and graduate with my Bachelor of Film Studies with a minor in business admin in only two years.
