EXPERIENCE

2018-Current

Complete Coatings, Sundance Catalog,
Vasayo Photographer | Partner

- Capture, edit, and create production-ready videos and photo content for a variety of projects (Product, Real estate, and Special events).

- Ensure quality assurance by applying the highest standards in setting up lighting, composition, color accuracy, and exposure for each shot while managing a high volume of images.

- Collaborated with creative art directors, stylists, and product teams on the development of shoots.

- Managed product and location image databases for easy access by internal teams and customers.

2017-2018 Marretta Studio

Studio Manager/Photographer

- Client photographer.

- Analyzed and proposed shoot estimates and negotiated retainers with vendors.

- Identified and resolved problems in a timely manner and developed alternative solutions to meet project dead lines.

2013-2014 Picotour Portraits

Family Photographer

- Managed photoshoot schedule and communicated all requirements, deliverable.
