EXPERIENCE

Percedia, Remote — *Freelance Video Editor*

January 2021 - Present

As a freelance video editor, I have worked on projects for TikTokers and YouTubers, exercising my skills in viewer hook and retention. Collectively, videos I've edited have garnered millions of views and have helped my clients grow their social media following.

Walmart, Saratoga Springs — *Personal Shopper*

August 2021 - November 2021

At Walmart I worked in the Online Grocery Pickup department, gathering customers' groceries and loading them into their vehicles. In this role I exercised my time management and communication skills as I completed tasks and interacted with and assisted customers.

Rocky Mountain Wingshak, American Fork — *Server/Cook*

March 2017 - September 2018

At the Wingshak I was trained in various roles from cook, to server, to cashier, and more. In this role I was trusted with handling cash, opening and closing the restaurant, and preparing food among other responsibilities.

EDUCATION

The Los Angeles Film School, Los Angeles — *Bachelor of Science in Animation and Visual Effects*

November 2023 - Present

Graduating with a Bachelor of Science in Animation and Visual Effects in 2026. Learning all of the software, tools, and principles to be an industry professional in 3d animation and visual effects.

Westlake High School, Saratoga Springs — *High School Diploma*

August 2015 - May 2018

Earned high school diploma in 2018 from the Alpine School District.
