WORK EXPERIENCE

Script Supervisor

2020-2023

Utah Tech Films/Freelance

- Streamlined the editing process by utilizing knowledge of post-production and taking detailed notes accordingly
- Carefully monitored continuity for a smoother filming process to avoid reshoots and increased spending
- Script supervised on over a dozen short films, including films currently in their festival run
- Script supervised on a feature length film, *First Haunt*

Editor

2021-2023

Utah Tech Films/Freelance

- Editing a feature length rom-com murder mystery titled *First Haunt*
- Able to collaborate with other editors well and willing to spend as much as time needed to tweak the project until it fits exactly with the directors vision
- Won Best Editing award twice from Utah Tech University for a coming-of-age film, *Gay Ass Date* and a short drama titled *Pickles*
- Able to edit podcasts that are fast paced with maximum impact on viewers while keeping clients main ideas intact
- Edited a romantic comedy, *Chasing Shadows*, that is currently in its festival run
- Edited a comedy *Dead End* that is currently in its festival run

Production Assistant

2022

HBO Max - *We're Here*

- Coordinated transporting crew to and from the Production Office to location as needed
- Collaborated with the art department to create large decorative pieces to accompany the drag performances
- Brought props and set dec on and off stage in a timely manner to make certain that the live performances went seamlessly
- Ensured crew stayed nourished and energetic by organizing and executing food orders
- Stayed attentive to requests from crew and gained a solid understanding of the fast-paced set environment

Painter/Art Department

2021

Hallmark - *Sweet Pecan Summer*

- Collaborated with the art department to help create an environment that was accurate to the story
- Enhanced a barn set piece to give it a second life through touch ups and painting
