Film Distribution

PROFILE

I am a deep fan of comedic work in every form, but have made it my ambition to create, fund, and distribute safe-for-work comedy wherever possible. There is so much potential for families, friends, and communities to connect over delightfully fun and soul-feeding stories.

EXPERIENCE

Actor, Head Writer, Director, Producer

Studio C | BYU Broadcasting | 2012 - 2018

- Founding member of 10 writers and actors behind the Emmy-winning sketch comedy show, *Studio C* (famous for Scott Sterling).
- Built an audience of over 2.5 million viewers and garnered 2.6 billion views on entirely brand-safe content.
- Delivered 900+ short and long form comedic works during 6-year run.

Chief Creative Officer, Founder

JK! Studios | 2018 - Present

- Co-founded JK! Studios, an independent production company focused on the creation of purely brand-safe content.
- Fundraised 1.6M in brand sponsorships (Purple Mattress, Lumē, ClickFunnels) to launch 5 original series in 2019.
- Head Producer behind *Freelancers*, *Loving Lyfe*, *Go West*, and standalone JK! projects backed by Angel Studios.
- Successfully crowdfunded 1.1M for Season 2 of the crowd favorite sitcom, *Freelancers*, currently available on Prime.

Director, Producer, Editor

Stop and Go | Feature Film | 2020 - 2021

- Produced and directed a road-trip comedy involving two sisters saving their grandmother from the COVID-19 outbreak.
- *Stop and Go* premiered at the SXSW 2021 Film Festival and played at six other national and international festivals.
- Currently streaming on Hulu, backed by BuzzFeed Studios and DECAL.

Director, Writer, Producer

Go West | Feature Film | 2022 - 2023

- Co-wrote, produced and directed a sketch comedy film in the style of Monty Python and the Holy Grail set on the Oregon Trail.
- Fundraised 750k from private investors.
- *Go West* premiered theatrically in 16 US states and recouped entire investment through box office and digital sales.
- Currently available on Prime.
