## WORK EXPERIENCE:

### INDEPENDENT FILMMAKER

July 2020 - Present

Self Employed, Utah

- Produce and edit professional videos for individual clients and small businesses to promote their work and services or product.
- I've worked on many professional film sets as a camera assistant, 2nd or 3rd camera positions, dolly operator, car rig cinema camera operator and everything in between.
- Worked on set as a PA, 1st AC, and assistant editor with Minus Plus Studios on projects for companies like NPS, Recursion Pharmaceuticals, TEDx BYU, and many others.
- Help assistant shoot and edit content for Park City Arts Council that fund raised over \$10 million.

### PHOTOGRAPHER

August 2021 - Present

Freelance & Eastman-Adams Photography, Utah County

- Freelance photographer since 2021, and employee with Eastman-Adams photography company since August 2023.
- Professionally capture exceptional, studio-quality portraits of people of all ages.
- Experienced in working with a variety of camera equipment, including DSLRs, digital cameras, and light meters.
- Skilled in taking pictures with a detailed eye, capturing the perfect angle and body position.
- Proficient in post processing techniques such as retouching, color correction, and image manipulation.
- Patient and friendly, able to work with clients to capture their perfect photo.

### FILM APPRENTICE / 1st ASSISTANT CAMERA

April 2023 - August 2023

Utah Film Commission & Mike Call Pictures, SLC Utah

- Summer 2023 Film apprenticeship through the Utah Film Commission for the company, Mike Call Pictures. I was able to work with Mike Call, who is a renowned local Salt Lake City cinematographer and cameraman.
- Working on set I was mainly the 1st assistant camera, PA, and 3rd camera positions.
- We filmed all over Utah for companies like Black Diamond Climbing and for the beloved local TV show, "Taste Utah" which airs on channel 4.

### FILM INTERN

May 2022 - February 2023

Minus Plus Studios, Boise Idaho

- Help shoot and edit documentary style promotional/informational videos about Idaho's beautiful scenic byways. My responsibilities included:
  - 1st and 2nd video camera
  - 2nd Photographer
  - TILTA car rig & cinema camera operator
  - Sound capturing
  - Post production editing
  - Driving company vehicles
  - Organizational and communicative skills
