PROFILE

As a dedicated filmmaking professional and BFA graduate from Southern Utah University, I have hands-on experience as a PA, Director, Boom Operator, and Cinematographer. I work as a PA for TLC's *'Sister Wives'* and recently completed my thesis short film, *MUDPOT*. My education and on-set experience have strengthened my skills in time management, communication, and creative problem-solving. I take pride in maintaining a strong work ethic, adaptability, and professionalism on set. Moving forward, I aim to contribute to Utah's growing film industry through reliable, detail-oriented, and collaborative work!

WORK HISTORY

PA on 'Sister Wives'

MAY 2024 - PRESENT

I assist the production team with on-set operations, ensuring efficient coordination between departments. I support the camera crew, manage set organization, and keep a professional and discreet environment during filming.

SUUSA Marketing Video Director

JULY 2021 - APRIL 2023

As the SUUSA Marketing Video Director, I was in charge of all of the video content that was being produced for the SUU Student Life social media. I took on the roles of Director, Cinematographer, and Editor for all content.

Student Director

AUGUST 2023 - APRIL 2025

As a Director, I had the opportunity to lead and oversee the production of various film projects. Collaborating with a team of talented individuals. I brought creative visions to life and ensured the successful execution of each project.

Student Film Editor

AUGUST 2023 - APRIL 2025

As an Editor, I enjoyed the tediousness of putting a story together, and I enhanced my attention to detail skills. I became efficient with Adobe Premiere Pro as well as DaVinci.
