Film & Media Experience

In the Frame - 2025

Composer

Composed and recorded the soundtrack for the indie short film *In the Frame* all within a one week deadline, working closely with the director to align the music with the film's emotional tone.

Void Formula - 2024

Composer

Composed original music for the short film *Void Formula*, collaborating closely with the directors to craft a dynamic score that enhanced the emotional tone and narrative depth of the project.

Employment History

Film Lab Manager

Essential Photo Supply

January 2023 - October 2024

Led daily operations at a film processing lab, managing a team and overseeing C41, E6, and B/W workflows.

Maintained top-quality standards in both film development and post-production scanning for visual media projects.

Lab Technician

Nichols Photo Supply

November 2021 - December 2022

Assisted in film processing and equipment maintenance, ensuring optimal conditions for each film type and contributing to efficient studio production.

Store Manager

FixIt Mobile

March 2020 - October 2021

Managed daily operations at a tech repair shop, leading a team of technicians and coordinating complex workflows under tight timelines. Developed strong problem-solving, communication, and logistical skills in a fast-paced, client-facing environment.

Education

Salt Lake Community College

AAS: Emphasis in Photography
2021-2023
